A black and white portrait of Emiliano Zapata, a prominent leader of the Mexican Revolution. He is wearing a large, dark sombrero with a wide brim and a decorative woven band. He has a thick mustache and is dressed in a dark suit jacket over a vest and a white shirt with a dark tie. The background is a plain, light-colored wall.

**I would  
rather die on  
my feet than  
always live  
on my knees.**
